You may post this document back to us with the address details listed at the bottom of this sheet.

## Your Details:

Name: .....

Address: .....

.....

.....

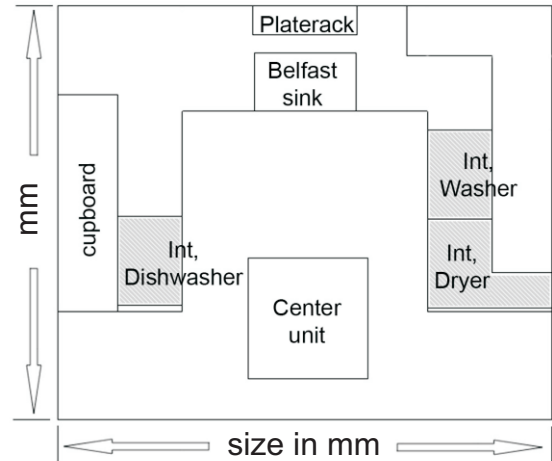

Postcode: .....

Contact Number: .....

Budget: .....

Below is an example of a basic kitchen plan. Use the empty box below to draw in your own design indicating sizes in mm, walls, features and most importantly the location of any appliances which are to be built in.

Example:

## Your Design:

All sizes must be in mm (millimetres)

Please indicate sizes in mm, walls, features and most importantly the location of any appliances which are to be built into the units.

Please post this to the following address:
